Both oral or poster presentation may submit full paper contribution. The camera ready paper should be in regular version (3 - 6 pages). Submissions may include for:

- Chemical and Biotechnology Engineering
- Civil and Environmental Engineering
- Computer Science and Information Technology
- Electrical & Communications Engineering
- Engineering Mathematics and Applied Sciences
- Materials and Manufacturing Engineering
- Applied Mathematics and Natural
- Mechanical and Aerospace Engineering
- Mechatronics and Automation Engineering
- Geophysical Science and Engineering
- Architecture and Urban Planning
- Geodetic Engineering
- Bioscience and Biomedical Engineering
- Food Science and Agricultural Technology/Engineering
- Physic and Nuclear Sciences

Submission deadline:

- Paper submission: 30 June 2019
- Revised paper submission: 30 Aug 2019
- Regular registration: 1 Sept 2019
- Conference program: 23 - 25 Sept 2019
- Notification of acceptance: 30 July 2019
- Early bird registration: 15 Aug 2019
- Camera ready submission: 9 Sept 2019

**Conference Fee**
